Accident Repair Industry Environmental Standard

This certificate of commitment is provided to:

CF Motoring Services Ltd

In recognition of commitment to carbon emission reduction, reducing environmental impact, and advancing sustainable practices within the accident repair industry.

This certificate acknowledges the organisation's commitment to investment, and dedication to responsibly reduce its carbon footprint.

ARIES has been developed in response to an increasing need to control the use of energy and reduce carbon emission. It provides a clear and actionable step by step pathway to environmental progress throughout the vehicle accident repair industry.
